Haofei Yu

Education

2024 - now **Ph.D.** in Computer Science. University of Illinois Urbana-Champaign.
GPA: 3.96/4.00. Advisor: Prof. Jiaxuan You.

2022 - 2024 **M.S.** in Intelligent Information Systems. Carnegie Mellon University.
GPA: 4.12/4.33. Advisor: Prof. Louis-Philippe Morency.

2018 - 2022 **B.Eng.** in Computer Science. Zhejiang University.
GPA: 3.96/4.00. Rank 7/134. Outstanding Graduates with Honors.

Experience

May – Aug 2026 **Meta AI**
Research Intern
Developing a framework for agentic continual learning that characterizes cross-task geometry to understand and improve transfer learning across tasks.

May – Aug 2025 **Allen Institute for AI**
Research Intern
Built a scalable rank-and-verify system combining artifact graphs with LLM coding agents to execute over 14K+ HuggingFace artifacts; accepted to COLM 2026.

May – Aug 2024 **MIT-IBM Watson AI Lab**
Research Intern
Built a lightweight coding-agent framework for SWE-bench to evaluate open- and closed-source LLMs and provided fine-grained evaluation for coding agents.

May – Aug 2023 **Apple AIML**
Machine Learning Intern
Built an LLM-based hierarchical prompting system for Siri query disambiguation, improving internal user satisfaction; the work was selected to present to Siri leadership.

Feb – Aug 2022 **Tencent AI Lab**
Research Intern
eveloped a training-free memory selection method for long-range language modeling with competitive performance, published in Findings of EMNLP 2023.
